Education

2020–2022 | Master | Integrative Technologies and Architectural Design Research (ITECH)
University of Stuttgart

2017–2019 | Master | Creative Product Design
Southern Taiwan University of Science and Technology

2013–2017 | Bachelor | Creative Product Design
Southern Taiwan University of Science and Technology

2011–2013 | Bachelor | Multimedia and Entertainment Science
Southern Taiwan University of Science and Technology

Teaching Experience

2017–2018 | Instructor | Visual Programming Language
I-Shou University, Department of Creative Product Design
Kao-Yuan University, Department of Architecture and Graduate School of Architecture
Tsair Yuarn Industrial CO., LTD

2015 | Instructor | 3D Printer Workshop
Southern Taiwan University of Science and Technology, Creative Product Design

2013–2018 | Teaching Assistant
Display Design – Grasshopper, Arduino
Digital Aid Design – Rhinoceros, Grasshopper, VisiCam, CNC
Design Presentation and Techniques – Rhinoceros
Digital Modeling Formation – Rhinoceros
3D Modeling Design – Autodesk Maya

Work Experience

2022 | PIX Moving
Intern, Algorithm/ Optimization/ Structure Test for New Material of Car Chassis
Robotic Metal Folding for Vehicle Form Shape Prototyping

2021–2022 | University of Stuttgart
Research Assistant in ICD RoboLab, Researcher: Tobias Schwinn
Research Assistant in ITKE, Researcher: Jorge Christie

2019–2020 | Military Service
Mandatory Military Service in Taiwan

2017–2018 | Surface Tech Inc. – Rhino
Visual Programming Language Instructor

2017 | Tamkang Church
Parametric Molds for Concrete Manufacturing

2015–2016 | Pinyen Creative Inc.
Project Designer

2015 | LuWood Creative
Product Development Intern

2013–2014 | KANO Visual Effect
3D Modeling/ Animation/ Texturing/ Lighting/ Rendering Technical Director, Camera Tracker, R&D

Computer Literacy

Visual Communication
Adobe Illustrator, Photoshop, Indesign, Lightroom

Video Editing
Adobe Premiere, After Effects

3D Modeling
Rhino, Grasshopper, Solidworks, Maya, ZBrush, Marvelous Designer

Rendering
V-Ray, Arnold Renderer, Redshift, Mental Ray, Keyshot

Texturing
Substance Painter, Substance Designer, Substance Alchemist, MARI

Programming
C#, Python

Certificate

2021 **KUKA Basic Robot Programming**
KUKA Augsburg

Scholarships & Awards

2017 **Acrylic Design Contest**
Gold Award – Leather Hanging Lamp

2017 **Acrylic Design Contest**
Merit Award – Ripple

2017 **Xiu-Qi, Wu Scholarship**

2017 **Red Dot Design Award**
Winner – Fibers Vine Peels

2017 **Red Dot Design Award**
Winner – Grapees

2017 **Golden Pin Design Award**
Pegatron Collection Award – Growing Form

2016 **College Student Stationed – in Rural Community Project**
Silver Award – Xing Ba Ke
Innovation Experiment Award – Xing Ba Ke

2015 **Udn Design Award**
Nomination – Cloak Raincoat

Languages

Native
Chinese

Secondary
English

Interests

Carpentry, Hand Make, Photography
Movies, Music, Cook, Exercise, Gym, Martial Art
